We are pleased to announce the Cold Spring Harbor Asia conference on Bone and Cartilage: from Development to Human Diseases which will be held at the Suzhou Dushu Lake Conference Center in Suzhou, China, located approximately 60 miles west of Shanghai. The conference will begin at 7:00pm on the evening of Monday June 11, and will conclude after lunch on Friday, June 15, 2012. It will include a combination of oral sessions and poster sessions, covering the latest findings across many topics in skeletal biology by bringing together a group of scientific leaders.

### **Major Topics:**

- Cartilage Development
- Osteoblast Development
- Osteoclast Development
- Cartilage Degeneration and Osteoarthritis
- Osteopetrosis and Osteoporosis
- Growth Plate and Endocrine System
- Genetic and Epigenetic Basis of Human Skeletal Disease
- Therapeutic Approaches for Skeletal Diseases

### **Registration available until June 11, 2012**

The on-line registration will be available until the meeting starts. But early registration will help to save cost. Rates vary for corporate/industry, academic (PhD, MD, staff scientists) and student (up to PhD) attendees. Endowed student package costs as low as USD250/CNY1530 before March 30th, 2012.

### **Abstracts due March 30th, 2012**

We encourage abstracts to contain new and unpublished materials. Selection results for short talks (10-20) and poster presentations will be made by the organizers on the basis of scientific merit and relevance.

**Fellowships of up to \$500 (USD)** are available to graduate student and post doc who have an abstract accepted for poster presentation.
